Memorandum

MEMORANDUM FOR: Vice Chairman, CIPC

FROM: EA/EXDIR, CIA

SUBJECT: CIA Membership in CIPC

Steve,

25X1 As we discussed earlier [] decided some time ago
25X1 that it would be in the best interests of both CIA and the
Committee if the DDI, rather than he, represented the Agency
on the CIPC. I believe [] discussed this with Miss Page
at the last meeting he attended. This note is intended merely
to formalize this arrangement. Your most recent communications
to us have been forwarded to Mr. Gates, whose office should now
replace the EXDIR's as the Agency focal point for CIPC matters.
